# THE PROFESSIONAL ON-SITE SERVICE PACK

This service simply offers you piece of mind and greatly improved performance of all those technical pieces of equipment which our businesses have come to rely on, whether it be a lighting effect, sound system, CCTV equipment or a big screen video projector, this pack will cover it.

Having equipment regularly serviced has proved to be financially prudent in the long run, firstly for the obvious, that the equipment is always working when you need it, and secondly when the equipment comes to being replaced or upgraded it retains a much better resale value with a service history.

## What Does The Professional On-Site Service Pack Offer ?

### ***THE PROFESSIONAL ON-SITE SERVICE PACK OFFERS YOU :***

Two On-Site Service Calls a year to service and maintain the equipment covered. This includes optical cleaning and setup where necessary, cleaning of ventilation, oil and grease all moving parts where applicable and general maintenance of all the electronic equipment.

### ***A Free On-Site Breakdown Cover***

This cover is basically for the times when things breakdown and you need urgent service without having to pay a call-out charge and labour costs. With The Professional On-Site Service Pack all you pay for is the parts, greatly reducing the cost to repair items.

### ***Loyal Trade Customer Discount Scheme***

When you take out ***The Professional On-Site Service Pack*** you automatically qualify for the ***Intek Electronics Loyal Trade Customer Discount Scheme*** allowing you discount on all ancillary and new equipment bought or installed by ourselves at your venue, greatly saving you money on original prices. This also includes up to 25% off of all parts therefore making this a very attractive package.

## How Much Does The Professional On-Site Service Pack Cost ?

Its Simple

100% cover for 10% of the Installation cost
